

Silolona guest book comments

Welcome aboard the wonderful world of Silolona! The only thing that surpasses Silolona is Patti! We had two fabulous weeks to see and feel Papua cultures. Much of it is based out of the heavenly base camp that is Silolona. It is hard to believe that we could get such wonderful service from a fabulous 15 piece band. The ultimate vote is cast with one's feet- and we are voting with ours. Next year we shall return to Silolona with a group of family and friends. I am sure they will love getting to know our family- Mamma Patti- and friends here on Silolona. Thanks for the trip of a lifetime!

Paths crossed.... I am lucky!
Time we spent together
Carved amazing unforgettable memories... The bleach of time never fades away the good times we had.
The laughs and tears from the amazing beaches of Komodo to Alor, from the swampy river banks of Baltulicin to Asmat are still ringing in my ears.....
Thank you seeryboo....

What an exquisite pleasure and privilege to be on board of such a beautiful boat. Thanks

Absolutely wonderful! A superb boat, beautifully built and an outstanding crew. A real joy to be part of, even if only a short while. I will remember for a long time but will definitely be back!

Thank you for sharing your life's passion with us. Boarding Silolona is an awesome, unforgettable experience. Congratulations to all on creating an object of such beauty. The Cave family.

First of all thank you for giving us a chance to get on your fantastic boat. No explanation to say about your boat because all the beauty and work are already within. The story of your boat very much touched my heart. Hope to see you back here again and may the spirit of the boat always protect you all.

Dearest incredible Patti,

Terima kasih banyak atas kebaikan hati dan keterbukaannya untuk menerima die atas Amazing Boat. You make me proud!! You help Indonesia to get exposed to the world so that they'll learn about our great culture. Your staff is the best!

This is definitely the ultimate indulgence at sea: high quality, stylish, luxurious! This is a place where I see myself drifting away in a timeless zone with intimate friends and forget about everything else! I have inspected over 200 hotels in the last 4 months and none has given me a strong passion as Silolona. I would definitely contact you for my wedding ceremony if the right one comes along!

Le temps passé trop vite à bord, un vrai moment de relaxation et de plaisir après la folle course de nos vies parisiennes. Merci pour ce moment privilégié.

Un moment de rêve, pour un moment intense d'émotions et de bonheur grâce à nos enfants.

In my job I see many super yachts all over the world. They are all impressive but not many have the "won" factor. Silolona definitely has the "won factor"!

A day, a night, a dream came true and with it came friendships, food and song. Beneath the glow of a growing moon and the sparkle of Singapore lights. Thank you for making me a part of it all!

Dear Patti,
What an honour and pleasure to spend a week on beautiful Silolona with you – a wonderful guide and new friend. There are experiences that can never be repeated and will never be forgotten. You've encouraged us to change, grow and find the heart in ourselves just as you do with the wonderful people we have met and got to know: the Dani, Lani and Asmat.

Thank you so much for a magical journey into the forgotten islands of South China Sea. Silolona will certainly be a cherished memory for all my life, as will the hospitality and generosity you have shown. Mille grazie !

The entire trip with you has been so special! You are an inspiration with your intelligence and generosity. It has been an honour to see Papua with you. Your crew has been amazing with their beautiful smiles and always a helping hand there when I needed it. I am counting on spending a lot more time on Silolona in the future with my family!
Love to you and the crew!
